About YCEDE

YCEDE is delighted to be able to offer four paid 'mini projects' to students at our partner universities who self-identify as 'BAME' and are registered with UK home fee status.

The Yorkshire Consortium for Equity in Doctoral Education (YCEDE) is a collaboration between five universities in Yorkshire (York, Leeds, Bradford, Sheffield Hallam and Sheffield), 12 UKRI funded Doctoral Training partnerships and Centres for Doctoral Training, plus a number of external partners dedicated to equity at doctoral level. Central to the YCEDE project is the question of access to doctoral study for graduates from Black, Asian and minority ethnic backgrounds.
